

## Dundonnell Farm Dog Trial 2018

The Dundonnell Farm Dog trial was held over two days this year to make room for the **Ewe, Me and the Dog Encourage Challenge Final** and to ensure time for finals in the **HF Richardson Novice** and **Snow Anderson Memorial, Tilt Renewables Open**.

It was a weekend of contrasts with Dundonnell living up to its reputation of changeable weather, Saturday was a delightful autumnal day..... Sunday was wickedly windy and warm. The event was a bit the same with more than its fair share of retirements and some exceptional runs in all classes.

Special thanks to our sponsors,

**Ackroyd and Dadswell** (Wool brokers) who supplied the Dundonnell Dunny.

**HF Richardson** (stock and station agents) who sponsored the Novice.

**Tilt Renewables** (Developers of Renewable Energy Projects) who sponsored the Improver, Snow Anderson Memorial Open and the all-day BBQ.
